Residential Projects in MMR

# WE HELP YOU MAKE THE INVESTMENT

Propscience is India's first direct to customer research-driven real estate portal specializing in residential real estate. We are not backed or associated with any builder, bank, or broking firm, nor do we offer any property management services. We are an unbiased entity focused solely on providing accurate and frequently updated information to prospective homebuyers and homeowners of under-construction properties in MMR.

We offer homebuyers and new home owners detailed information across 450+ data points along with several decision-making tools to help them make the best assessment of their prospective investment. At present we have over 2000 projects visible on our site, spread across MMR, catering to varied ticket sizes.

# LOCATION

The project is in Vartak Nagar. Vartak Nagar is a locality in the city of Thane. Pokhran No. 1 passes through the area and joins Pokhran No. 2 at Lake Upvan. A large part of Vartak Nagar is covered by 63 acres of MHADA colonial buildings. These buildings are occupied by industrial workers employed by manufacturing units in and around Thane. Some well-known companies, such as Raymond, Kores, Voltas, NRB Bearing, Blue Star, etc., have branches in Vartak Nagar and the neighbouring areas. The famous landmark in the area is the Sai Baba Temple. Schools in the area include Sulochana Devi Singhania High School, Little Flower High School, Brahman Vidyalaya, Smt Savitri Devi Thirani School, and College. Due to remodelling and new real estate development, the area is gradually transforming. The locality is well connected by roads as the Eastern Expressway is very near and the nearest railway station is Thane.

# PROJECT PROPSCORE

Propscience uses a unique and highly proprietary algorithm to arrive at Propscores for every project it covers. This score is calculated out of 100 points. Through our detailed research we gather over 500 data points of information about each project. These data points are broken down into categories (mentioned below). An individual score is arrived at for each category and then a combined project Propscore is given. The purpose of the Propscore is to help you evaluate the distinct value you can hope to derive from each aspect of the project.
