## WE HELP YOU MAKE THE INVESTMENT

Propscience is India's first direct to customer research-driven real estate portal specializing in residential real estate. We are not backed or associated with any builder, bank, or broking firm, nor do we offer any property management services. We are an unbiased entity focused solely on providing accurate and frequently updated information to prospective homebuyers and homeowners of under-construction properties in MMR.

We offer homebuyers and new home owners detailed information across 450+ data points along with several decision-making tools to help them make the best assessment of their prospective investment. At present we have over 2000 projects visible on our site, spread across MMR, catering to varied ticket sizes.

## LOCATION

The project is in Kalyan-Bhiwandi Road. Bhiwandi is a city in the Thane district. It is located 20 km northeast of Mumbai and 15 km northeast of the city of Thane and is part of the Mumbai Metropolitan Region. Bhiwandi is a well-known centre of logistics and textile industries. Although mainly inhabited by ethnic minorities, the area has become a secular city due to the development of infrastructure and industries. Bhiwandi Nizampur City Municipal Corporation is a civic body founded in 2002 Maharashtra State Government to manage the industrial community of Bhiwandi. Many renowned real estate developers are entering the market, along with some individual local developers. It is the main commercial centre connecting Mumbai and the rest of India via the Mumbai-Agra Highway.

## PROJECT PROPSCORE

Propscience uses a unique and highly proprietary algorithm to arrive at PropScores for every project it covers. This score is calculated out of 100 points. Through our detailed research we gather over 500 data points of information about each project. These data points are broken down into categories (mentioned below). An individual score is arrived at for each category and then a combined project PropScore is given. The purpose of the PropScore is to help you evaluate the distinct value you can hope to derive from each aspect of the project.
