MMR

## WE HELP YOU MAKE THE INVESTMENT

---

Propscience is India's first direct to customer research-driven real estate portal specializing in residential real estate. We are not backed or associated with any builder, bank, or broking firm, nor do we offer any property management services. We are an unbiased entity focused solely on providing accurate and frequently updated information to prospective homebuyers and homeowners of under-construction properties in MMR.

We offer homebuyers and new home owners detailed information across 450+ data points along with several decision-making tools to help them make the best assessment of their prospective investment. At present we have over 2000 projects visible on our site, spread across MMR, catering to varied ticket sizes.

## LOCATION

The project is in Moghar Pada-Kasarvadavali. Kasarvadavali is an area in Thane Ghodbunder Road, located between the Waghbil and Bhainderpada areas. It is well connected by state buses. Thane Railway Station is approximately 9 kilometres from the location and Mumbai International Airport is approximately 34 km. The planned Kasarvadavali Metro Station of Wadala-Mulund-Kasarvadavali metro line is under construction. There are many famous schools, colleges, hospitals, and shopping centres in the area. It is home to one of the famous temples from 600 AD. This temple is called Ram Temple and it is surrounded by a beautiful pond.

## PROJECT PROPSCORE

Propscience uses a unique and highly proprietary algorithm to arrive at PropScores for every project it covers. This score is calculated out of 100 points. Through our detailed research we gather over 500 data points of information about each project. These data points are broken down into categories (mentioned below). An individual score is arrived at for each category and then a combined project PropScore is given. The purpose of the PropScore is to help you evaluate the distinct value you can hope to

derive from each aspect of the project.
