WE HELP YOU MAKE THE INVESTMENT

Propscience is India's first direct to customer research-driven real estate portal specializing in residential real estate. We are not backed or associated with any builder, bank, or broking firm, nor do we offer any property management services. We are an unbiased entity focused solely on providing accurate and frequently updated information to prospective homebuyers and homeowners of under-construction properties in MMR.

We offer homebuyers and new home owners detailed information across 450+ data points along with several decision-making tools to help them make the best assessment of their prospective investment. At present we have over 2000 projects visible on our site, spread across MMR, catering to varied ticket sizes.

LOCATION

The project is in Patlipada. Patlipada, formerly a village, is now part of the town of Thane. It has residential complexes and is the official residence of the Thane City Commissioner. is located on Ghodbunder Road, 6-7 km from Thane Station. Patlipada has a predominantly Maharashtrian communities along with sizable populations of North Indians, South Indians, Sindhis, Gujaratis, and Marwaris. Thane Municipal Transport (TMT), Brihanmumbai Electric Supply and Transport (BEST), MiraBhayandar Municipal Transport (MBMT) and MSRTC (State Transport) provide public bus services to the region. An automated metered rickshaw is available for travel within the city, as are regular taxis and air-conditioned taxis. Patlipada has good schools that offer classes in English and vernacular languages.

PROJECT PROPSCORE

Propscience uses a unique and highly proprietary algorithm to arrive at PropScores for every project it covers. This score is calculated out of 100 points. Through our detailed research we gather over 500 data points of information about each project. These data points are broken down into categories (mentioned below). An individual score is arrived at for each category and then a combined project PropScore is given. The

purpose of the PropScore is to help you evaluate the distinct value you can hope to derive from each aspect of the project.
