WE HELP YOU MAKE THE INVESTMENT

Propscience is India's first direct to customer research-driven real estate portal specializing in residential real estate. We are not backed or associated with any builder, bank, or broking firm, nor do we offer any property management services. We are an unbiased entity focused solely on providing accurate and frequently updated information to prospective homebuyers and homeowners of under-construction properties in MMR.

We offer homebuyers and new home owners detailed information across 450+ data points along with several decision-making tools to help them make the best assessment of their prospective investment. At present we have over 2000 projects visible on our site, spread across MMR, catering to varied ticket sizes.

LOCATION

The project is in Sion. Sion is a neighbourhood of Mumbai. The village formerly marked the boundary between Mumbai and Salsette Island but now the name remains even after Mumbai was joined to the Island and extends up to Mulund. One of the local historical places in Sion is a hilltop garden commonly known as Sion Fort. Sion shares its name with a railway station on the Mumbai suburban railway on the Central Railway line.

PROJECT PROPSCORE

Propscience uses a unique and highly proprietary algorithm to arrive at Propcores for every project it covers. This score is calculated out of 100 points. Through our detailed research we gather over 500 data points of information about each project. These data points are broken down into categories (mentioned below). An individual score is arrived at for each category and then a combined project Propcore is given. The purpose of the Propcore is to help you evaluate the distinct value you can hope to derive from each aspect of the project.
