WE HELP YOU MAKE THE INVESTMENT

Propscience is India's first direct to customer research-driven real estate portal specializing in residential real estate. We are not backed or associated with any builder, bank, or broking firm, nor do we offer any property management services. We are an unbiased entity focused solely on providing accurate and frequently updated information to prospective homebuyers and homeowners of under-construction properties in MMR.

We offer homebuyers and new home owners detailed information across 450+ data points along with several decision-making tools to help them make the best assessment of their prospective investment. At present we have over 2000 projects visible on our site, spread across MMR, catering to varied ticket sizes.

LOCATION

The project is in Malad (West). Malad is a suburb located in North Mumbai. Malad has a railway station on the Western line. The railway tracks of the Western Line divide Malad into Malad (West) and Malad (East). Also located in Malad is a prominent office commercial space extending from the back of the two prominent shopping malls Inorbit Mall & Infiniti Mall. Marve Beach and Aksa Beach are Located in Malad. Malad West is a prominent and up market residential locality in the western suburbs, situated on the western line of the Mumbai Suburban Railway. It is a green and serene locality situated along the Malad Creek and surrounded by mangroves. The residential development in Malad West majorly comprises of multi- storey apartments, and villas; and is driven by proximity to Mindspace and other IT parks, along with excellent connectivity to other parts of Mumbai.

PROJECT PROPSCORE

Propscience uses a unique and highly proprietary algorithm to arrive at PropScores for every project it covers. This score is calculated out of 100 points. Through our detailed research we gather over 500 data points of information about each project. These data points are broken down into categories (mentioned below). An individual score is arrived at for each category and then a combined project PropScore is given. The purpose of the PropScore is to help you evaluate the distinct value you can hope to derive from each aspect of the project.
