WE HELP YOU MAKE THE INVESTMENT

Propscience is India's first direct to customer research-driven real estate portal specializing in residential real estate. We are not backed or associated with any builder, bank, or broking firm, nor do we offer any property management services. We are an unbiased entity focused solely on providing accurate and frequently updated information to prospective homebuyers and homeowners of under-construction properties in MMR.

We offer homebuyers and new home owners detailed information across 450+ data points along with several decision-making tools to help them make the best assessment of their prospective investment. At present we have over 2000 projects visible on our site, spread across MMR, catering to varied ticket sizes.

LOCATION

The project is in Chandivali. Chandivali is an upmarket residential neighbourhood located in Andheri East. Jogeshwari-Vikhroli Link Road (JVLR) is located at a distance of less than 1 km. It is bound on the north by the Powai lake, on the East by Powai/Hiranandani complex, on the south by Saki Naka and by Marol on the West. There is a film studio, one of the oldest in Mumbai with the same name right at the heart of the locality. It has an Assembly constituency in its name and is one of the 288 Assembly constituencies in the State of Maharashtra.

PROJECT PROPSCORE

Propscience uses a unique and highly proprietary algorithm to arrive at Propcores for every project it covers. This score is calculated out of 100 points. Through our detailed research we gather over 500 data points of information about each project. These data points are broken down into categories (mentioned below). An individual score is arrived at for each category and then a combined project Propcore is given. The purpose of the Propcore is to help you evaluate the distinct value you can hope to derive from each aspect of the project.
