Residential Projects in MMR

WE HELP YOU MAKE THE INVESTMENT

Propscience is India's first direct to customer research-driven real estate portal specializing in residential real estate. We are not backed or associated with any builder, bank, or broking firm, nor do we offer any property management services. We are an unbiased entity focused solely on providing accurate and frequently updated information to prospective homebuyers and homeowners of under-construction properties in MMR.

We offer homebuyers and new home owners detailed information across 450+ data points along with several decision-making tools to help them make the best assessment of their prospective investment. At present we have over 2000 projects visible on our site, spread across MMR, catering to varied ticket sizes.

LOCATION

The project is in Naupada. Naupada is a premium residential area in Thane West, located along the central line of LBS Marg, Eastern Highway, and the Mumbai Suburban Railway. It is a development zone with mainly multi-story residential apartments. It is popular due to its proximity to the Wagle Industrial Zone and other IT / industrial centres, as well as good municipal facilities and public transport facilities. It is adjacent to other famous areas like Teen Hath Naka, Kopri, and Panch Pakhadi. It also has good connectivity to shopping malls in Mumbai and Navi Mumbai through the central and cross lines. Marathi Sindhi, Gujarati, and Hindi are the most widely spoken languages. There are many medical centres, hospitals, and educational institutions in the nearby area.

PROJECT PROPSCORE

Propscience uses a unique and highly proprietary algorithm to arrive at Propscores for every project it covers. This score is calculated out of 100 points. Through our detailed research we gather over 500 data points of information about each project. These data points are broken down into categories (mentioned below). An individual score is arrived at for each category and then a combined project Propscore is given. The purpose of the Propscore is to help you evaluate the distinct value you can hope to derive from each aspect of the project.
