## WE HELP YOU MAKE THE INVESTMENT

---

Propscience is India's first direct to customer research-driven real estate portal specializing in residential real estate. We are not backed or associated with any builder, bank, or broking firm, nor do we offer any property management services. We are an unbiased entity focused solely on providing accurate and frequently updated information to prospective homebuyers and homeowners of under-construction properties in MMR.

We offer homebuyers and new home owners detailed information across 450+ data points along with several decision-making tools to help them make the best assessment of their prospective investment. At present we have over 2000 projects visible on our site, spread across MMR, catering to varied ticket sizes.

## LOCATION

The project is in Lower Parel. The name Parel has its roots from the Parali Vaijanath Mahadev temple. Lower Parel is one of the key commercial suburbs of Mumbai. Initially comprising of several mills, the area today is a potpourri of culture with prominent restaurants, malls, residential complexes, and office buildings. Old mills have been renovated to house experimental restaurants, interior studios, and boutique offices for start-ups. Lower Parel houses various upscale residential and commercial buildings by developers such as Indiabulls, Raheja Universal, Lodha Group and Piramal Realty.

## PROJECT PROPSCORE

Propscience uses a unique and highly proprietary algorithm to arrive at Propcores for every project it covers. This score is calculated out of 100 points. Through our detailed research we gather over 500 data points of information about each project. These data points are broken down into categories (mentioned below). An individual score is arrived at for each category and then a combined project Propcore is given. The purpose of the Propcore is to help you evaluate the distinct value you can hope to derive from each aspect of the project.
